

Welcome to Nishi!

Our menu reflects our passion for good food, good wine and the good life. The inspiration for our menu is rooted in the flavours of tropical fruits and vegetables and the bounty of the Caribbean Sea.

We hope you enjoy our selections of fresh fish, meat and organic produce as hand selected daily from local markets and suppliers. The menu includes classic dishes and rotating seasonal specialities and your server will be happy to guide you!

Please try one of our specialty cocktails, you won't regret it!
